

Guitar Stompboxes

OVERDRIVE OD400

Ultimate Overdrive Effects Pedal

- The ultimate overdrive pedal for fat and big overdrive sounds with incredible dynamic response
- This BEHRINGER product has been designed to compete head to head with leading products on the market
- Dual-stage overdrive circuitry offers bigger and fuller sound with endless sustain and compression
- Dedicated Drive, Tone and Level controls for awesome sound shaping
- Status LED for effect on/off and battery check
- Runs on 9 V battery or the BEHRINGER PSU-SB DC power supply (not included)
- First-class electronic On/Off switch for highest signal integrity in bypass mode
- High-quality components and exceptionally rugged construction ensure long life
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

The warm, crunchy sound of a tube amp being pushed to the limit has become a priceless staple of rock music, and when you have the OVERDRIVE OD400 effects pedal, that amazing sound is always at your command.

Tone, Tone, Tone

With the OD400's dedicated Drive, Tone and Level dials, you can give your music a slightly edgy jumpstart, or push it completely over the edge, creating a volcanic eruption of fat, juicy tone. And no matter how heavy or light you like your overdrive, this ultra-responsive stomp box respects the dynamics of your playing style.

Ultimate Overdrive Effects Pedal

Power it Up!

The status LED lets you know when the OD400 is on or off. (We provide the LED as a convenience, trust us, you'll know it's on!) You can power your OD400 with either a 9 V battery or our PSU-SB DC power supply (not included).

Sound Value

If the very essence of the rock 'n' roll sound is what you crave, the OVERDRIVE OD400 is sure to satisfy and so affordable. Get the sound that never goes out of style – the OD400, now appearing at your local BEHRINGER dealer, or order yours online!

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
